

Flower exhibitors are to list ALL EXHIBITS THEY EXPECT TO BRING. If they are unable to exhibit some entries due to weather or blooming conditions, this will be satisfactory and will present no problem for the entry system. If flower exhibitors have questions, they should contact the above superintendent.

RULES:

1. All flowers used for this show, except in the artistic section, must be cut from plants grown by the exhibitor. In the artistic section, no flowers from commercial sources may be used.

2. All cut flowers to be displayed in non-returnable clear narrow necked bottles with stem supported by a wedge such as clear plastic, wooden block or rhubarb.

3. Exhibit tags must be filled out by exhibitor. Exhibitors should use extra care to enter their exhibits in the proper class, with the exact number of specimens or stems. If this rule is not followed the exhibit will be disqualified. The variety should always accompany the exhibit if known. Named varieties will have preference in advancing to the "Court of Honor" table. Exhibits in the same lot must be of different cultivar. Maintaining your exhibit before entering (such as deadheading and removing damaged leaves) may be a factor in the judging. Be sure that necessary watering is done before entering and during the fair.

4. House plants and hanging plants must have been in the exhibitor's possession at least three months.

5. **Judging will begin at 2 p.m., Thursday, July 15 and Judge's decision will be final.**

6. **The Todd County Fair will not be responsible for loss or damage to containers or articles used in the exhibit.**

Purple Champion ribbon will be awarded for "Best of Show" in Potted or Hanging Plants.
