DATE: Storage Season for 2016 – 2017
TO: Interested Parties
FROM: Debra Durham, Todd County Ag Society Secretary
RE: Prairie Building Storage

The time of the year is fast approaching where we will need to protect an item/items from the Minnesota weather conditions.

This letter and agreement are being sent to anyone who has either rented from us in the past or has expressed an interest in renting this year. The 2016-2017 prices are as follows PER ITEM: up to 22 ft \$125.00, 23 – 28 ft \$150.00, 29 – 32 ft \$175.00, and 33 ft and up \$200.00. The Ag Society board determined these rent prices and feel they are reasonable and fair.

ATTENTION:

- *Entrance door has an 11 foot height maximum.**
- *To protect the floor bring cardboard, plastic, or something to act as a drip pan.**
- *LP Gas Tanks must be removed.**

The Prairie Building will be open 8:30 – 11:30 am, Saturday, October 15th, **5:45 – 7:30 pm**, Tuesday, October 25th, Thursday, October 27th, and 8:30 -11:30 am, Saturday, October 29th, to put your item/items in place.

If you are interested bring the completed Storage Agreement and payment. If you are NOT interested in renting space this year indicate your intent on the bottom of Storage Agreement, complete the form in its entirety, and return it to Debra Durham, 17384 255th Avenue, Long Prairie, MN 56347 or send an email of intent.

If you have any questions, concerns, or you need to make other arrangements email me at fairboardsecretary@toddcountyfair.com, or call 320-732-2739. Leave a message and I will return your call.

In the spring, you will be notified when the building will be open for removal of your item/items according to the weather.

Thank you for your interest.
